Page 1 of 19

THIS IS AN INFORMATION SUMMARY SHEET ONLY. THE APPLICANT IS RESPONSIBLE FOR READING THE COMPLETE MONTANA LAWS AND RULES FOR LICENSURE AS A VETERINARIAN PRIOR TO MAKING APPLICATION. AVERAGE APPROVAL TIME, AFTER RECEIPT OF A COMPLETED APPLICATION, IS 14 DAYS.

LICENSURE REQUIREMENTS:

VETERINARIAN LICENSURE BY EXAMINATION

Applicant must:

1. be of good moral character;
2. be a graduate of a legally authorized veterinary medical school having educational standards equal to those approved by the American Veterinarian Medical Association (AVMA); foreign graduates must have completed the requirements of the AAVSB Program for Assessment of Veterinary Education Equivalence (PAVE) or the AVMA Education Commission for the Foreign Veterinary Graduates (ECFVG) before an application will be accepted;
3. have passed both the NBE and the CCT with a score of 70 or better within 62 months or have passed the NAVLE at or above the designated passing standard established by the National Board of Veterinary Medical Examiners, within 62 months, and pass the open book Montana Jurisprudence examination found at the end of this application;
4. have submitted a complete application accompanied by the appropriate fee and all supporting documents.

NAVLE APPLICANTS: Applicants for the North American Veterinary Licensing Examination wishing to sit as a Montana candidate shall submit the Montana State Licensure Application to the Board no later than August 1 for the Fall testing period, and January 3 for the Spring testing period. NAVLE candidates shall also submit the NAVLE application and fee directly to the National Board of Veterinary Medical Examiners. Upon approval by the Montana Board to sit as a Montana Candidate for the NAVLE, the applicant must then submit a passing NAVLE score and a certified copy of the transcript indicating graduation from an appropriate veterinary school sent directly to the Board office. A Montana state license application shall expire 18 months from the date of receipt of the application. See website for current NAVLE exam dates and deadlines.

VETERINARIAN OUT-OF-STATE APPLICANTS: (ENDORSEMENT)

Applicant must:

1. hold a current and valid license to practice veterinary medicine in another state or Canadian Province and have been actively in practice three out of five years immediately preceding the date of application to Montana;
2. be of good moral character;
3. be a graduate of a legally authorized veterinary medical school having educational standards equal to those approved by the American Veterinary Medical Association (AVMA). Foreign graduates must have completed the requirements of the AAVSB Program for Assessment of Veterinary Education Equivalence (PAVE) or Education Commission for the Foreign Veterinary Graduates (ECFVG) before an application will be accepted;
4. have passed the NAVLE at or above the designated passing standard established by the National Board of Veterinary Medical Examiners or have passed both the NBE and CCT with a score of 70 or better, and pass the open book Montana Jurisprudence examination found at the end of this application. Substantial documentation of examination from the state or Canadian Province in which you were licensed on the basis of a competency (not jurisprudence) exam may be substituted for the CCT exam.
5. have submitted a complete application, accompanied by the appropriate fee and all supporting documents.

FEES **\$200.00** **Application Fee**
 \$50.00 **Temporary Permit Fee**
Make check or money order payable to the Montana Board of Veterinary Medicine.
All fees are non-refundable.

PHOTOS Please place a recent photo (within one year of application) on the application.
Passport size is preferable.

DOCUMENTS The following documents must be submitted to the Board office in order to complete
your license application.

**SEE EXAM INFORMATION ON THE WEB PAGE FOR THE CURRENT NAVLE EXAMINATION
DATES AND DEADLINES.**

LICENSURE BY EXAMINATION:

1. Submit the application fee.
2. Photograph approximately 2"x2" taken within 1 year of the date of application.
3. Certified transcript sent to us directly from school of veterinary medicine, verifying graduation. Senior veterinary students who have not yet graduated shall submit a letter from the Dean of the school stating that the applicant is a senior student and the expected date to receive the degree of Doctor of Veterinary Medicine or its equivalent. Foreign graduates must supply a certified copy of PAVE or ECFVG certificates.
4. NAVLE score at or above the designated passing standard established by the National Board of Veterinary Medical Examiners within 62 months or the National Board Examination (NBE) and Clinical Competency Test (CCT) scores indicating you have passed with a converted score of 70 or better within 62 months. Candidates must have their NBE, CCT, or NAVLE scores reported directly to Montana from Veterinary Information Verification Agency (VIVA) at info@aaasvb.org or 1-877-698-VIVA.
5. Candidates must contact other states/provinces of licensure (past & current) and request a letter of verification of license status. **The candidate will be responsible for contacting these jurisdictions and paying any fees that are required.**

TEMPORARY PERMITS (Form 2): An examination applicant may be issued a temporary permit if he/she is working under the supervision of a veterinarian licensed and practicing in Montana. **A temporary permit application may be submitted only after a completed exam application is on file.** Both applications are then mailed to the Board for approval. A majority vote by the Board is needed prior to a temporary permit being issued.

LICENSURE FOR OUT-OF-STATE APPLICANTS (ENDORSEMENT):

1. Submit application fee.
2. Photograph approximately 2"x2" taken within 1 year of the date of application.
3. Certified copy of a transcript sent to the Board office directly from the school of veterinary medicine, verifying graduation. Foreign graduates must supply certified copy of their PAVE or ECFVG Certificate.
4. NAVLE score at or above the designated passing standard established by the National Board of Veterinary Medical Examiners or the National Board Examination (NBE) and Clinical Competency Test (CCT) scores indicating that you have passed with a converted score of 70 or better. Candidates must have their NBE, CCT, or NAVLE scores reported directly to Montana from Veterinary Information Verification Agency (VIVA) at info@aaasvb.org or 1-877-698-VIVA. If you have not taken the CCT, supply substantial documentation of examination from the state or province in which you were licensed on the basis of a competency (not jurisprudence) exam.
5. Candidates must contact other states/provinces of licensure (past & current) and request a letter of verification of license status. **The candidate will be responsible for contacting these jurisdictions and paying any fees that are required.**

TEMPORARY PERMITS (FORM 2): An out-of-state (endorsement) applicant may be issued a temporary permit if the applicant is working under the supervision of a veterinarian licensed and practicing in Montana. **A temporary permit application may be submitted only after a completed out-of-state application is on file.** Both applications are then mailed to the Board for approval. A majority vote of approval by the Board is needed prior to a temporary permit being issued.

APPLICATION PROCEDURES

- ◆ If the application is considered a non-routine application, there may be a delay in processing of the application. You may be requested to provide additional information. Non-routine applications may take up to 120 days to process.
- ◆ Keep the Board office informed at all times of any address changes, changes in license status and complaints or proposed disciplinary action. This is essential for timely processing of applications and subsequent licensure.

For information with regard to the processing of this application or other concerns, please contact the Board of Veterinary Medicine staff at (406) 841-2394 or (406) 841-2331 or email us at dlibsdrvvet@mt.gov

PLEASE VISIT OUR WEBSITE AT www.vet.mt.gov

VETERINARY MEDICINE JURISPRUDENCE TEST QUESTIONS

Answer each question by indicating the correct answer in the box.

- ☐ 1. The Board of Veterinary Medicine consists of:
- a) six members appointed by the Governor.
 - b) six members appointed by the Montana Veterinary Medical Association.
 - c) six members appointed by the Montana House of Representatives from a list supplied by the Montana Senate.
 - d) six members appointed by the Attorney General.
- ☐ 2. All applicants for licensure or renewal are required to report any legal or disciplinary actions instituted against them which relate to the propriety of the applicant's practice or their fitness to practice veterinary medicine. Failure to furnish the required information or the filing of false information is grounds for:
- a) denial or revocation of a license.
 - b) expulsion from the Montana Veterinary Medicine Association.
 - c) an immediate press release concerning the facts.
- ☐ 3. Those who may submit lists of nominees for appointment to the Board of Veterinary Medicine include:
- a) private associations.
 - b) members of the public.
 - c) Senators and Representatives.
 - d) all of the above.
 - e) a & c only.
- ☐ 4. The denial of a license or the issuance of a probationary license to practice veterinary medicine must be conducted:
- a) by a secret ballot of the Board.
 - b) only during the Legislative Session.
 - c) as a contested case hearing under the provisions of the Montana Administrative Procedures Act.
- ☐ 5. A person is considered practicing veterinary medicine when he does the following:
- a) represents himself as or is engaged in the practice of veterinary medicine in any of its branches, either directly or indirectly.
 - b) performs manual or laboratory procedure on livestock for the diagnosis of pregnancy, sterility or infertility for remuneration or hire.
 - c) pregnancy tests his own farm animals.
 - d) performs acupuncture or dentistry on animals.
 - e) a, b, & d but not c.
 - f) b, c, & d but not a.

☐ 6. If a candidate for licensure fails the jurisprudence exam, it may not be retaken:

- a) for 24 hours.
- b) for six months.
- c) for one year.
- d) until the next exam.

☐ 7. Which of the following are considered unprofessional conduct:

- a) fraud or deception in procuring the license.
- b) failing to cooperate with an investigation authorized by the Board.
- c) practice beyond the scope of practice encompassed by the license except when reasonably undertaken in an emergency situation to protect life, health or property.
- d) all of the above.
- e) a & b but not c.

☐ 8. Additional professions licensed by the Montana Board of Veterinary Medicine are:

- a) veterinary technicians.
- b) embryo transfer technicians.
- c) euthanasia technicians.
- d) all of the above.
- e) b & c but not a.

☐ 9. The Board may impose each of the following sanctions EXCEPT:

- a) citation for contempt of court.
- b) limitation or restriction of the practice.
- c) requirement of surrender of license within 24 hours after revocation or suspension.
- d) payment of a fine not to exceed \$1,000 for each violation.

☐ 10. Continuing education courses completed on the internet or via other similar electronic means are:

- a) allowed for up to 10 credits.
- b) allowed for up to 20 credits.
- c) unrestricted in any way.
- d) not allowed.

- ☐ 11. In order to be granted a grace period of 3 months after the renewal deadline to complete continuing education requirements a licensee must:
- a) request it in writing to the Board.
 - b) pay the late penalty fee.
 - c) appear before the Board for an interview.
 - d) all of the above.
 - e) a & b but not c.
- ☐ 12. Continuing Education programs shall be of a professional veterinary nature to qualify, with the number of practice management hours reported:
- a) not to exceed 25% of the total required continuing education hours.
 - b) requiring full documentation before acceptance.
 - c) not restricted in any way.
- ☐ 13. Veterinarians must dispose of used sharps by properly packaging and labeling them as required by:
- a) the Montana Department of Livestock.
 - b) 75-10-1005, MCA.
 - c) the Drug Enforcement Administration.
- ☐ 14. A veterinarian not licensed in Montana may render veterinary services in this state if the veterinarian:
- a) submits a written request to the Board describing the date, place and scope of services to be rendered.
 - b) submits proof of active veterinary licensure in good standing.
 - c) submits a signed statement from a veterinarian licensed in this state who will be in attendance and provide follow-up care.
 - d) limit services to no more than two cases per year.
 - e) all of the above (a-d).
 - f) only a, b, and c.
- ☐ 15. Which of the following is true:
- a) euthanasia certification examinations consist of a written and practical examination.
 - b) a person may not practice veterinary medicine without possessing and displaying prominently a license and valid certification of registration.
 - c) sodium pentobarbital is the only euthanasia drug approved by the Board.
 - d) all of the above are true.
 - e) a & b are true but not c.

- ☐ 16. Which of the following is one condition that must exist in a valid veterinarian-client-patient relationship?
- a) the veterinarian knows the client personally but has not personally examined the animal in question.
 - b) the client has not agreed to follow the veterinarian's instructions.
 - c) a new client asks the veterinarian to diagnose a livestock herd problem but the veterinarian has not been to the premises where the animals are kept.
 - d) the veterinarian is available for follow up when the treatment regimen doesn't produce the desired results.
- ☐ 17. Applicants must achieve a grade of _____ on the Jurisprudence examination to obtain a license:
- a) 80%.
 - b) 70%.
 - c) 65%.
- ☐ 18. Persons exempt from reporting continuing education are:
- a) foreign graduates.
 - b) new licensees who are applying for their first annual renewal of license.
 - c) all of the above.
 - d) none of the above.
- ☐ 19. Support personnel may render emergency care to a patient without direct authorization:
- a) never.
 - b) only after reasonable attempts to contact the employing veterinarian or another veterinarian who could manage the case within allowable time constraints.
 - c) when it would appear that to delay treatment and care for the time necessary to send the animal to another practitioner would be life threatening.
 - d) b and c.
- ☐ 20. The fee for annual renewal of license for veterinarians is:
- a) \$65
 - b) \$75
 - c) \$100
- ☐ 21. Which of the following is NOT a function of the Board:
- a) preparation of examinations.
 - b) protection of the consumer.
 - c) insure employment for veterinarians.
 - d) issue subpoenas in connection with investigations and disciplinary proceedings.
- ☐ 22. Renewal of a veterinary license in Montana is:
- a) annually.
 - b) biennially.
 - c) semiannually.
 - d) on your birthday in odd numbered years.

- ☐ 23. Medical records shall be maintained for a minimum of:
- a) 2 years.
 - b) 3 years.
 - c) 4 years.
 - d) 5 years.
- ☐ 24. Which of the following is NOT included in the practice of veterinary medicine:
- a) equine dentistry.
 - b) pregnancy testing of cattle for remuneration.
 - c) ear cropping of dogs.
 - d) castration and dehorning of cattle by owner's full time employee.
- ☐ 25. Which of the following is considered unprofessional conduct:
- a) offering, giving, or promising anything of value to a federal or state government employee for the purpose of influencing the official to circumvent a regulation governing the licensee's profession.
 - b) misleading, deceptive, false, or fraudulent advertising.
 - c) dispensing or prescribing a veterinary prescription drug without a valid veterinarian-client-patient relationship.
 - d) all of the above.
- ☐ 26. The department may report the issuance of a disciplinary notice and final order to:
- a) the person filing the complaint.
 - b) appropriate public and private organizations that serve the profession.
 - c) the public.
 - d) all of the above.
- ☐ 27. Which of the following statements is true according to the Montana Veterinary Practice Act:
- a) third year veterinary students require a temporary permit.
 - b) those candidates by examination holding a temporary permit may operate an unsupervised branch clinic.
 - c) veterinary technician licensure is not recognized in Montana.
 - d) a non-licensed employee of a producer may not perform castration and dehorning on the owners premises.
- ☐ 28. Which of the following is true of members serving on the Board of Veterinary Medicine:
- a) each member shall serve a term of five years.
 - b) each veterinarian member shall have practiced in this state for at least 5 years prior to his/her appointment.
 - c) if a member, without cause, is absent from 2 regular meetings consecutively, his/her office is vacant.
 - d) all of the above are true.
 - e) a & b are true, but not c.

☐

29. You live out-of-state and fail to renew your license for a three-year period, but you have all the continuing education requirements. Which of the following is the most accurate statement regarding the situation:
- a) a letter to the Board explaining the circumstances is required.
 - b) the normal renewal process with the late fee applies.
 - c) a new original license must be obtained.

☐

30. Which of the following would be the least acceptable program for continuing education credits:
- a) American Association of Equine Practitioners meeting.
 - b) veterinary architectural design seminar.
 - c) Western States veterinary conference.
 - d) Society of Theriogenology meeting.

☐

31. The Board of Veterinary Medicine consists of the following:
- a) five veterinarians and one public member.
 - b) three veterinarians and an administrator.
 - c) three veterinarians, two public members, and a lawyer.
 - d) three veterinarians, three public members and two lawyers.

☐

32. A certified euthanasia technician:
- a) may only administer sodium pentobarbital and telazole.
 - b) must be employed by a certified euthanasia agency or working under the supervision of a licensed veterinarian.
must have completed a Board-approved course and examination taken within the 36 months immediately preceding the current renewal deadline date to renew their certificate.
 - c) within the 36 months immediately preceding the current renewal deadline date to renew their certificate.
 - d) all of the above.
 - e) b and c.

☐

33. Which of the following are grounds for disciplinary action:
- a) cruel or inhumane treatment of animals.
 - b) failure to supervise auxiliary staff adequately.
assisting in the unlicensed practice of a profession or allowing another person or organization to practice or offer to practice by use of the licensee's license.
 - c) person or organization to practice or offer to practice by use of the licensee's license.
 - d) all of the above.
 - e) a & b are true, but not c.

☐

34. Which statement is the most accurate regarding continuing education requirements:
- a) a grace period of one year may be given by the Board.
 - b) continuing education credits required are 20 approved credits obtained within 24 months prior to the renewal date.
 - c) practice management may constitute 50% of required continuing education credits.
 - d) continuing education credits are reported only in odd numbered years.

- ☐ 35. Which of the following is true:
- a) it is not necessary to keep records for a herd/flock.
 - b) patient medical records must be handwritten.
 - c) a veterinarian must be able to substantiate the medical care provided for an animal group.
 - d) a record shall be maintained for 2 years after the death of an animal.
- ☐ 36. The Board may perform inspections on a licensed veterinarian's premises to provide uniform standards and cleanliness on all of the following items EXCEPT:
- a) office and reception areas.
 - b) insect control.
 - c) interior decor.
 - d) waste disposal.
 - e) a & c only.
 - f) a & d, but not b & c.
- ☐ 37. Which of the following require a Montana license to practice veterinary medicine:
- a) veterinarians from other states, or a foreign country whose practice in this state is limited to an occasional case as defined in Board rule.
 - b) veterinarians in the Armed Forces engaging in private practice in Montana.
 - c) veterinary research workers engaged under the employment of Montana State University.
- ☐ 38. Which of the following is NOT true with respect to license renewal:
- a) annual fee of \$65 is payable on your birthday.
 - b) time to complete continuing education requirements may be extended 3 months under certain circumstances.
 - c) license may be renewed within two years of expiration without submitting to examination.
